2nd Polmont e-newsletter The second e-newsletter for 2nd Polmont Boys' Brigade has just been sent giving up-to-date information and links to the Company website. The e-newsletter is aimed towards parents, boys, officers, helpers, whether you were involved with B.B. in the past or simply have an interest in the Company. If you didn't receive the e-newsletter and would like to be added to our mailing list, please e-mail Jamie McIntosh on jamiemci@talk21.com

Notice boards Next time you're in the Church Hall, why not take a look at our Section Notice boards? In the big hall there is a notice board dedicated to each of our three sections – Anchor Boys, Junior Section and Company Section.

Queen's Badge We have two Seniors working towards their Queen's Badge this year: Jamie Lockhart and Darren Paterson. As part of their community work they volunteered in the Falkirk Cancer Research branch during their Summer holidays, each completing thirty hours.
