## CAN YOU HELP?

There is a group of folk who would like to bless those families connected with the church, who have just had babies, by providing the family with a week of evening meals.

We know that the first few months after a baby arrives can be quite stressful, and this is a practical way of showing love. To make this a success, we need a team of around 14 people, so if anyone would like to help, please let me know as soon as possible.

And thank you in anticipation.
