INSPIRE UPDATE

We were privileged to be given the chance to lead the evening service at the start of September. Unfortunately we weren't all able to be there so Jodie and Lorna lent a hand.

Leading the service turned out to be a bit more nerve-wracking than we had expected, despite the amount of planning and preparation that had gone into it, but we got through it and received a lot of congratulations from Jerome and the congregation afterwards, which felt really good.

We are hoping to get the chance to do it again before too long and hopefully more of us will be able to take part next time.

Church Concert

As *Twinspire* goes to print, we can report that the concert took place on Saturday 27th September with a wide range of performances, showing off the wealth of talent we have in our congregation.

An update will follow in the next edition of the magazine.
