Jars of Grace

For a number of years, members of the congregation have collected loose change in a jar.

Through **ActionAid** the money has sponsored Adam in Ghana for over five years and more recently Jhinuk in Bangladesh. The money you collect pays for their education.

Each issue of *Twinspire* either features an update on the ActionAid child sponsorship programme or more specifically, one of the two children we sponsor.

New jar labels are now available as you enter the Church. However, you don't need a label on the jar – it's the money you collect that is important!

Full jars can be handed in at the front of the Church or to Margaret Hunter.
