

FELLOWSHIP NEWS

It was fantastic!

It was fabulous!

It was floral!

It was the 'Flower Festival'!

A big 'thank you' is due to Mary Kelly and her friends for all their hard work. Beforehand, the friends argued amicably, agreed, arranged ---- result a floral 'Fellowship with Friends'.

Well done Mary!

Praise Band

Our congregation is blessed with a number of people (both young and not-so-young), who can sing or play a musical instrument and who enjoy getting together to praise God and lead His worship, using the talents He has given them.

From small beginnings the band has grown over the last few years and we now have a pool of twelve or more people, including singers, a trumpeter, guitarists, drummers and keyboard players.

We lead worship at the monthly evening services (first Sunday of each month at 7pm in the Church Hall) and we also play at Family Services and occasional other services in the church. Normally we get together to rehearse the day before, and while we take our responsibility as church musicians seriously, we also have a lot of fun.

We have room for more singers and musicians, so if you would like to join us regularly or only occasionally, please get in touch. Advanced technique is not required - enthusiasm is!
