

FELLOWSHIP NEWS

A happy, healthy 2010 to everyone

On November 9th our speaker had to cancel due to work commitments. At very short notice, **Ann Farquhar** from “Asset” stepped in. She brought along two young ladies to help her, and what a fun evening we had! We were shown a variety of decorations, which were made by the young people in the Asset workshops and told many funny stories by Ann.

Guild Week

The week of 15th - 22nd November was “**Guild Week**”. The fellowship was asked by our minister to organise the service in church on Sunday 22nd Jean Glen, assisted by several Fellowship ladies, led the service. This is the 4th year that the Fellowship has led this special service – can we look forward to November 2010?

The Fellowship is now well informed about the new **Larbert Hospital**. Jessie Ann Malcolm, co-ordinator of the Forth Valley Primary Care Trust, came with four members of her committee on November 23rd to speak to us and to show slides of the layout of the hospital. We were also told about transport and what will be happening to the old Falkirk Infirmary.

Victorian Fair

The Fellowship Fair stall, just like all the Victorian Fair stalls, was very successful. Thank you to Margaret Struthers for organising and setting up the stall. Thank you too, to Liz Graham and Jean Glenn for making the aprons and the hats. Thank you to everyone who donated home baking, and to everyone who bought Fellowship Fare.

We finished off 2009 with our **Christmas Dinner** in the Park Hotel on December 7th. Thanks are due to Nanette for her recitation, to Sandra Reid for playing the keyboard for the carol singing and to Jean for making up the Christmas quiz. A big “thank you” is also due Isobel for organising the raffle and to Sandra Gow for her organisation of the venue.
