

2nd Polmont Girls' Brigade

We meet on Wednesdays 6.00pm - 7.15pm
Polmont Parish Church Hall

Fun Nights

At the end of October, the Explorers and Juniors had a joint X Factor Party, complete with the TV theme tune and a giant X for them to perform in front of! The girls all got a chance to show us their talents, which included singing, dancing, telling jokes, showing their artwork and saying poems. We also played party games including "Find a Star" and "Celebrity Relay", and enjoyed some party food.

At the beginning of November, we visited SBS Studios, an interactive trailer, where girls had the chance to find out about the Bible by travelling round the world in a virtual plane, going back in time on a virtual spaceship, taking part in an interactive quiz, watching DVD clips and listening to different types of music! At the end of the evening they all got a cartoon version of Mark's Gospel to take home.

Spiritual

Over the last few weeks, the Explorers have been learning about triangles, and listening to Bible stories that include the number three, such as Jesus being tempted three times and Peter denying Jesus three times. They've also learnt the GB Motto, which has three parts to it. The Juniors have been reading Bible stories that feature a flame, including Moses and the Burning Bush and Abraham and Isaac. They've also learnt about the flame in the GB Badge.

Physical

The Explorers have been playing games that involve teams of three. They also learnt a dance to "Santa Claus is Coming to Town" to show their families at the Christmas Concert. The Juniors have been learning two dance routines for the Christmas Concert – one to "All I Want for Christmas is You" and another to "I Wish it Could be Christmas Every Day".

Educational

To fit with their theme, the Explorers ate some Doritos and used sweets to decorate cakes with a triangle. They also did some origami and folded paper into triangular shapes to make paper changers. The Juniors have made Bookworm bookmarks and GB Badge Jigsaws. They also made spooky cookies for Halloween. All the girls have made bonnets for the Church Victorian Christmas Weekend.

Service

Both Sections brought in their old toys to donate to the British Heart Foundation Charity Shop. They also bought toiletries and stationery to make up Christmas Shoeboxes for the Blythswood Appeal. Some of the girls read "We Will Remember Them" and "In Flanders Field" during the Church Remembrance Sunday Service, and two Juniors laid the 2nd Polmont wreath at the Cenotaph.
