Polmont Newspaper

The Kirk Session has agreed to an ambitious project to prepare and distribute a newspaper to the Parish of Polmont. The paper will cover local news items as well as reporting on events that have taken place, or are about to take place, in the Church. It is hoped that the paper will appear every 2 weeks.

The intention is that the majority of the paper will be distributed electronically, but that 'hard copies' would be made available at local gathering points. It is also intended that the first two or three editions will be hand-delivered and people will then be invited to subscribe to receive the paper electronically.

This is a **BIG** project, but, if successful, will be an effective way of both serving the community and promoting a Christian witness.

For it to be a success, much help will be required. This help will include:

-  Gathering information
-  Approaching people in the community to write articles
-  Contributing articles
-  Assisting administratively

This will require a **large team of people**.

If you think you would like to be part of this initiative, please to speak to Jerome as soon as possible.

A little girl, dressed in her Sunday best, was running as fast as she could, trying not to be late for Sunday school. As she ran she prayed: 'Dear Lord, please don't let me be late! Dear Lord, please don't let me be late!'

While she was running and praying, she tripped and fell, getting her clothes dirty and tearing her dress. She got up, brushed herself down, and started running again.

As she ran, she began to pray: 'Dear Lord, please don't let me be late, but please don't shove me either!'
