

SUNDAY YOUTH EVENTS

KIDZONE

We've been learning how God helps us when we're scared and we played a computer game that taught us the story of Daniel in the Lion's Den. A few weeks ago we watched a cartoon DVD about the Bible story of Abraham and we've also enjoyed singing action songs and colouring in. Each Sunday the Kids' Talks have been teaching us some things Jesus said. We're now practising hard to get this year's Nativity ready for our Christmas Family Service and are looking forward to showing parents and friends what we've prepared!

POWERHOUSE

Each Sunday our youth group has been kept busy, giving their opinions in various discussions and reading what the Bible has to say. They also helped out by suggesting some ideas for our Church Nativity play. The Praise Band have been playing at a few Church services recently, so most of the teenagers have been involved in that as well.

THE GRID

The DVDs shown in September were "I, Robot" when we talked about what our purpose in life is, and "Bourne Identity", when we focused on how we can change our lives, despite bad things that have happened in the past. In October we thought about what we believe in, after watching "The Truman Show" and later that month we discussed the results of manipulation after seeing the film "Blades of Glory".

**The Grid is for 11-18s.
Every 2nd & 4th Sunday.
Church Hall, 6.30pm-9pm.**
