Tuesday 6<sup>th</sup> October

Many members of the Wednesday Club enjoyed the Age Concern autumn outing to the **House of Bruar** followed by a lovely high tea at the Kenmore Hotel. This was voted a very successful day!

7<sup>th</sup> October

New to the Wednesday Club, Jimmy Rexter (**Glasgow Patter**) was very funny with his tales from Glasgow and this brought back many memories of days gone by to all of us.

14<sup>th</sup> October

**The Mid Scotland Evangelical Choir** returned to share a lovely afternoon with us. The gospel music is nice to listen to and everyone seems to enjoy their visits to us.

28<sup>th</sup> October

**Wallace and Bill Kemp** stepped in to fill our entertainment spot, and they were most enjoyable as they sang a good selection of songs.

4<sup>th</sup> November

**Ian Scott** was excellent as usual with a talk on driving the cattle on the drove roads to the tryst at Larbert. It was very interesting and we are grateful to Ian who comes along anytime we ask him.

16<sup>th</sup> November

**The Third Generation** from Dunfermline, who are very funny entertainers, gave us a lovely afternoon of songs and laughter.

We have lots more to look forward to before the **Christmas party on the 16<sup>th</sup> December.**

Our numbers have grown at the Wednesday Club since the start of this session and we have had days with almost 70 attending. Thanks to all our helpers for setting up the hall, and all the hard work in the kitchen – especially after tea. The committee really appreciates such a good team of volunteers.

We hope that everyone enjoys the Christmas break and our date for starting in the New Year will be **Wednesday 13<sup>th</sup> January.** Have a lovely Christmas and a happy and healthy New Year.
