EVENING SERVICE

Following discussion at the first evening service of 2010 it has been decided to have two evening services a month from now on. These will be on the first and third Sundays of every month.

Another change is that they will now take place at 7pm in the CHURCH (heating system and God willing!) and not in the church hall. This will let us get the benefit of the new sound system, which has been installed. Thanks to the Fabric Committee, Fundraising Committee and everyone else who was involved in choosing and installing the new microphones, cables, mixing desk and speakers.

If you've never been to an evening service why not try it - you never know, you might like it! Jerome described the last one as a "Bible study with singing" and that is a good summary of what goes on, but every one is different. We would love to see more people enjoying this special time of worship and fellowship.

INSPIRE

Several of the group were involved in the "Glasgow Gospel" drama at the Watchnight Service - well done everyone! This was an attempt to retell the Nativity story in a contemporary setting, using the text of the "Glasgow Gospel" as a basis.

Some of our older members are attending Jerome's "New Members Gatherings" on Sunday mornings with a view to entering into full membership. Having watched these young people for up to ten years as they have made their way through Sunday School/Kidzone, Powerhouse and most recently Inspire, it is wonderful to see them now ready to take a full adult role in the church.

Again, well done everyone!

Ed. Note: Though it is too late to join the current New Member's Gathering, do let Jerome know if you are interested in learning more about becoming a member of Polmont Old. There will be more such Gatherings during the year.
